- Enjoy the opportunity to introduce yourself or your business to our members through newsletters, member events and networking
- Be associated with real working farms and promotion of rural and regional tourism
- Benefit from advocacy and promotion of the sector that contributes to the growth of agritourism and thriving rural communities
- Enjoy our regular e-newsletter
- Build networks with other AQ members
- Enjoy discounted tickets to annual conference (coming soon)
- Be listed in the AQ Supporter's Directory (under construction)

Membership benefits rural tourism business

Investment: \$240 for 12 months

Eligibility: Those who support agritourism through rural tourism. We recognise the contribution that rural tourism businesses make to the local rural economy and community and AQ commits to supporting and engaging with these businesses. This membership is suited to those businesses who are not located on a working farm but are part of rural and regional tourism, who showcase local farm produce or contribute to the rural economy and community through rural accommodation, cafes, breweries, attractions etc.

- Be associated with real working farms and promotion of rural and regional tourism
- Benefit from advocacy and promotion of the sector that contributes to the growth of agritourism and thriving rural communities
- Enjoy our regular e-newsletter
- Build networks with other AQ members
- Access to AQ facilitated training
- Enjoy access to AQ partners and sponsors
- Take the opportunity to attend face-to-face and virtual social gatherings
- Be listed in the AQ Supporter's Directory (under construction)
- Enjoy discounted tickets to annual conference (coming soon)
